

17th Masters National Masters Championships 2021
26th to 28th November
Mangaluru (KARNATAKA).

WELCOME CIRCULAR

It is our pleasure to welcome you all to Mangaluru, Karnataka for the **17th Masters National Championships 2021 to be held at from 26th to 28th November 2021.**

The above championships will be conducted at St Aloysius College, Kodiabail, PB 720, Mangaluru.

It's a great honour for us to host the Championship again and we will do our best. We request co-operation from all office bearers of Swimming Federation of India and all affiliated units for the successful conduct of the championship.

Every Person who wants to enter the Pool premises should have a Negative test report of RTPCR from a valid Lab not later than 72 hours.

Participant ID card to be collected at the venue after submitting the RTPCR test report.

SFI UID CARD is compulsory for the swimmers to participate in the above championships.

To Register pls visit: www.swimming.org.in

1.0 RECEPTION

Reception will be made available at the Pool venues for all the enquiries.

2.0 TRANSPORTATION

Due to Covid -19 pandemic we are not providing transportation during the above championships. Kindly make a note of the same.

3.0 ACCOMMODATION

Organising Committee has made OYO rooms as their accommodation Partner. Participants can use their services for finding accommodation of one's choice from them.

OYO Contact: Akram 9666181312, Ahmed 9739973995

4.0 FOOD ARRANGEMENTS

Food will be made available to all competitors and team officials at subsidized rates will be charged per head for all days, a total package of Breakfast, Lunch and dinner on all days of the competitions.

Food and Breakfast will be supplied only against coupons which shall be bought by the participants on the day of arrival. The coupons will be available at the venue of Championships. Team managers may contact our food committee members who will be available at the venues.

5.0 MEDICAL SERVICE

A first aid station will be established at venue, staffed by the doctors to provide emergency medical assistance during the competitions. If more sophisticated medical treatment is required or in case of emergency, our volunteers will help the team managers in directing them to the specified medical institutions under the instruction of medical officers. In case of emergency, ambulance will be called at the discretion of the physician.
